Homeschool Year Planner

Thirty six weeks, three terms, undated

A YEAR ON PAPER, PLANNED IN AN AFTERNOON

Not a curriculum. A container for the one you already bought. Thirty six weeks, three terms, undated, so it starts whenever your year starts.

PLAN THE YEAR IN THREE PASSES

PASS	TIME	WHAT YOU DO
1	20 minutes	Write the 36 weeks and mark the holidays, the co-op days and the trips you already know about.
2	30 minutes	For each subject, write what must be finished by the end of each term. Three lines per subject.
3	15 minutes	Count the weeks you actually have. If there are fewer than you planned for, cut now, not in February.

The honest advice. Plan 32 weeks of work into a 36 week year. The four spare weeks are what saves the year when somebody gets sick, or when a subject takes twice as long as the catalogue promised.

PLEASE READ THIS PAGE

This is a printable planning document, not professional advice. It is sold as a reference and a record keeping tool. It is not legal, financial, tax, medical, veterinary, engineering, agronomic or safety certification, and it does not replace a licensed professional, your local code official, your county extension office, or the manufacturer of any product you use.

You are responsible for your own decisions. Conditions differ by place, climate, equipment and person. Read the whole document before relying on any figure, date or interval in it, confirm anything that matters against the current official source, and use your own judgment before acting.

Activities for children need an adult present. Several activities involve scissors, small parts, water, heat, food, outdoors, tools or fire. Adults are responsible for choosing what is age appropriate, supervising it, and checking the surroundings and materials first. Nothing here replaces your own judgment about the children in your care. No educational, developmental, behavioral or health result is promised or implied by any page in this pack.

WARRANTY AND LIMIT OF LIABILITY

This document is provided as is, without warranty of any kind, express or implied, including fitness for a particular purpose. That refund is the limit of our obligation and our liability, and we are not liable for indirect or incidental or consequential damages. These terms are governed by the law of the State of Arkansas.
