PLEASE READ THIS PAGE

This is a printable planning document, not professional advice. It is sold as a reference and a record keeping tool. It is not legal, financial, tax, medical, veterinary, engineering, agronomic or safety certification, and it does not replace a licensed professional, your local code official, your county extension office, or the manufacturer of any product you use.

You are responsible for your own decisions. Conditions differ by place, climate, equipment and person. Read the whole document before relying on any figure, date or interval in it, confirm anything that matters against the current official source, and use your own judgment before acting.

Some subjects here can cause injury, illness or property damage if done wrong. That includes food preservation and curing, work around animals and livestock, electrical work, generators, fuel, tools, ladders, roofs, water systems, and any task described in the safety material. Follow the current official source (the USDA or National Center for Home Food Preservation, your county extension, your veterinarian, the manufacturer, your local building code) wherever it differs from this document. The official source always wins.

No liability for injury, illness, loss or damage. Delta Ridge Technologies is not responsible for any injury, illness, loss, spoiled food, equipment damage, animal loss, property damage or financial loss that results from following, misreading or misapplying anything in this document.
