Road Trip Activity Pack

Planned by hours, not by miles

PLANNED BY HOURS, NOT BY MILES

Children do not measure a trip in miles. They measure it in how long since the last stop. Plan the stops first, then fill the space between them.

From: _____ **To:** _____
Date out: _____ **Date home:** _____
Total miles: _____ **Our vehicle gets:** _____ mpg

FUEL MATH	NUMBER
Miles divided by mpg, that is the gallons	
Gallons times the price per gallon, that is the fuel cost	
Add twenty percent for detours and idling	
Total fuel budget	

> Work the fuel number before the trip, not at each pump. It is the only part of the budget you can predict to within a few dollars.

PLEASE READ THIS PAGE

This is a printable planning document, not professional advice. It is sold as a reference and a record keeping tool. It is not legal, financial, tax, medical, veterinary, engineering, agronomic or safety certification, and it does not replace a licensed professional, your local code official, your county extension office, or the manufacturer of any product you use.

You are responsible for your own decisions. Conditions differ by place, climate, equipment and person. Read the whole document before relying on any figure, date or interval in it, confirm anything that matters against the current official source, and use your own judgment before acting.

Some subjects here can cause injury, illness or property damage if done wrong. That includes food preservation and curing, work around animals and livestock, electrical work, generators, fuel, tools, ladders, roofs, water systems, and any task described in the safety material. Follow the current official source (the USDA or National Center for Home Food Preservation, your county extension, your veterinarian, the manufacturer, your local building code) wherever it differs from this document. The official source always wins.

No liability for injury, illness, loss or damage. Delta Ridge Technologies is not responsible for any injury, illness, loss, spoiled food, equipment damage, animal loss, property damage or financial loss that results from following, misreading or misapplying anything in this document. If a figure here disagrees with the authority, the authority is right and this document is wrong.
