PLEASE READ THIS PAGE

This is a printable planning document, not professional advice. It is sold as a reference and a record keeping tool. It is not legal, financial, tax, medical, veterinary, engineering, agronomic or safety certification, and it does not replace a licensed professional, your local code official, your county extension office, or the manufacturer of any product you use.

You are responsible for your own decisions. Conditions differ by place, climate, equipment and person. Read the whole document before relying on any figure, date or interval in it, confirm anything that matters against the current official source, and use your own judgment before acting.

Activities for children need an adult present. Several activities involve scissors, small parts, water, heat, food, outdoors, tools or fire. Adults are responsible for choosing what is age appropriate, supervising it, and checking the surroundings and materials first. Nothing here replaces your own judgment about the children in your care. No educational, developmental, behavioral or health result is promised or implied by any page in this pack.

That refund is the limit of our obligation and our liability, and we are not liable for indirect or incidental or consequential damages. These terms are governed by the law of the State of Arkansas.
